

MANAGING REMOTE TEAMS (VIRTUAL INSTRUCTOR LED TRAINING)

3 HOURS

Thriving in Remote Working

INTRODUCTION

Remote work is rapidly becoming the norm for many organizations. Many employees love the opportunities and benefits of working from home, but this new way of working is not a walk in the park for managers, who suddenly found themselves leading in these unprecedented times. The task of managing a dispersed workforce can be complex, it demands managers to ensure that their teams feel connected and supported.

The success of a virtual team is the responsibility of the team leader, and, **if managed effectively**, virtual teams can increase productivity, help meet organizational goals and improve the quality of work. However, there are a host of unique challenges that can impact their success.

This training will help you as the Manager take care of business and your people as they work remotely.
